

Engineering Inspector I

City of Miami Gardens, FL. (109,000)

Posted Date: 06/24/2013

Deadline: 07/08/2013, or until filled.

Starting Salary: \$42,075 min. to \$52,594 mid. /DOQ

Nature of Work:

This is technical work in engineering construction inspections. Inspects a variety of public works construction projects, such as sidewalks, driveways, landscaping, curbs and gutters, catch basins and other drainage facilities to determine compliance with contract plans and specifications. In addition, ensures work is done to technical competence and compliance with current codes and criteria. Works under the general guidance and direction of the City Engineer or other engineering staff as assigned. Works is normally performed independently and requires technical discretion and judgment.

Minimum Requirements:

High School graduation or equivalency and three (3) years of increasingly responsible experience in technical engineering and field work, including one (1) year of experience in Public Works construction inspection is required. Stormwater Erosion & Sedimentation Control Inspector certification is preferred. Must possess and maintain a valid Florida driver's license and satisfactory driving record throughout employment. Proficiency operating a personal computer using Microsoft Office and delivering exceptional customer service required. Must be physically capable of moving about on construction work sites and under adverse field conditions.
